### Hole-In-One Policy

Rev. 07/14/07

The Saddle Creek Women's Golf Association has based its Hole-In-One Policy on that of the Women's Golf Association of Northern California (WGANC).

- A. In order to be accepted under this Policy, the Hole-in-One:
  - 1) The Hole-in-One must be made at Saddle Creek Golf Course, during a regulation round of at least nine holes.
  - 2) Must be attested to by one or more other members of the playing group.
  - 3) The player's score must be posted on the Club Computer.
  - 4) The score card submitted to the Club Captain must be a complete copy, with the date, the player's signature and at least one attesting signature.
- B. A Hole-in-One made on a temporary green will be accepted as long as the diameter of the hole is regulation size.
- C. A Hole-in-One made during any scheduled tournament will be accepted. A Hole-In-One will be valid if played in a tournament format (scramble) but will not be acceptable if played in an abnormal round in which the player had more than one ball in play at a time.
- D. A Hole-in-One during a match scheduled for a stipulated round will be accepted even though the match ends before the stipulated round is completed.

#### Hole-in-One Pins

- A. WGANC Hole-in-One pins are awarded only to players who are full members of the Club at the time the Hole-in-One is made.
- B. Lost Hole-in-One pins will be replaced at the member's expense after the WGANC has verified presentation of the original pin.
- C. When a Hole-in-One is made, the Club Captain is responsible for:
  - 1) Completing and returning to the WGANC Hole-in-One Director, the WGANC Hole-in-One form within 90 days of the date of the Hole-in-One and presenting the pin and the letter of congratulations to the player.
  - 2) Notifying the Pro Shop of the player's name, hole number, club used, and approximate yardage.
